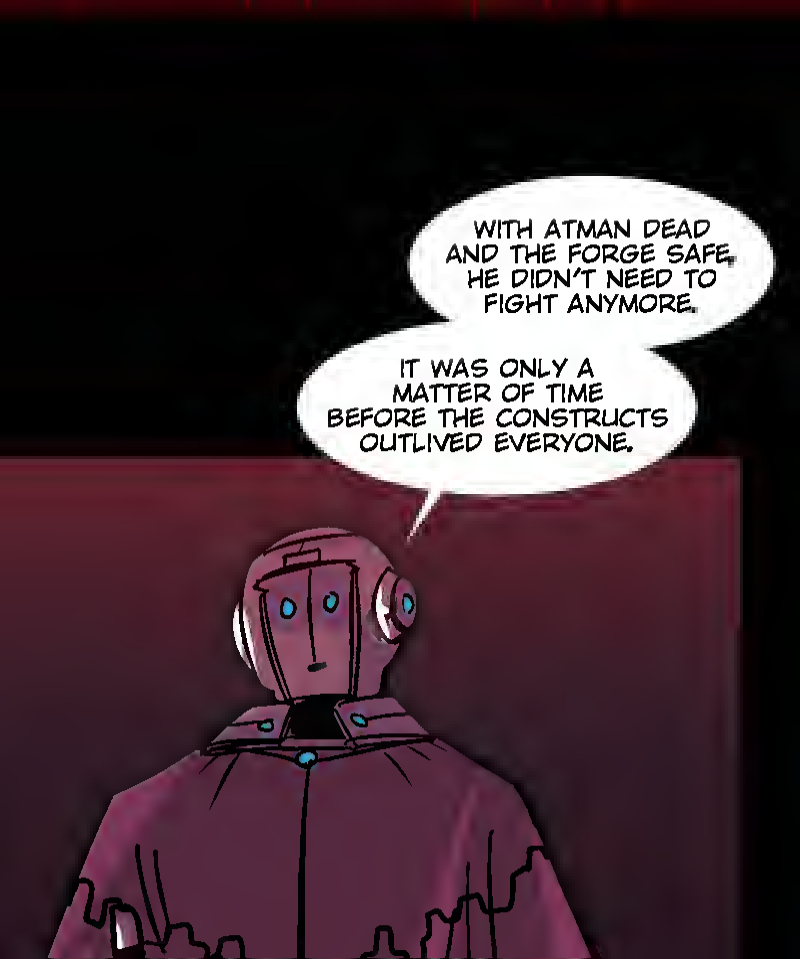
THE GEOLOGICAL ACTIVITY.
IT SHOULD BE FREE OF GUARDIANS.
I REMEMBER SOMETHING FROM THAT TIME. IT WAS RIGHT AFTER ATMAN DIED.

A TRUCE.

WHY A TRUCE?



WITH ATMAN DEAD AND THE FORGE SAFE, HE DIDN'T NEED TO FIGHT ANYMORE.
IT WAS ONLY A MATTER OF TIME BEFORE THE CONSTRUCTS OUTLIVED EVERYONE.

SO ATRAX KEPT FIGHTING AFTER ALL THESE YEARS.

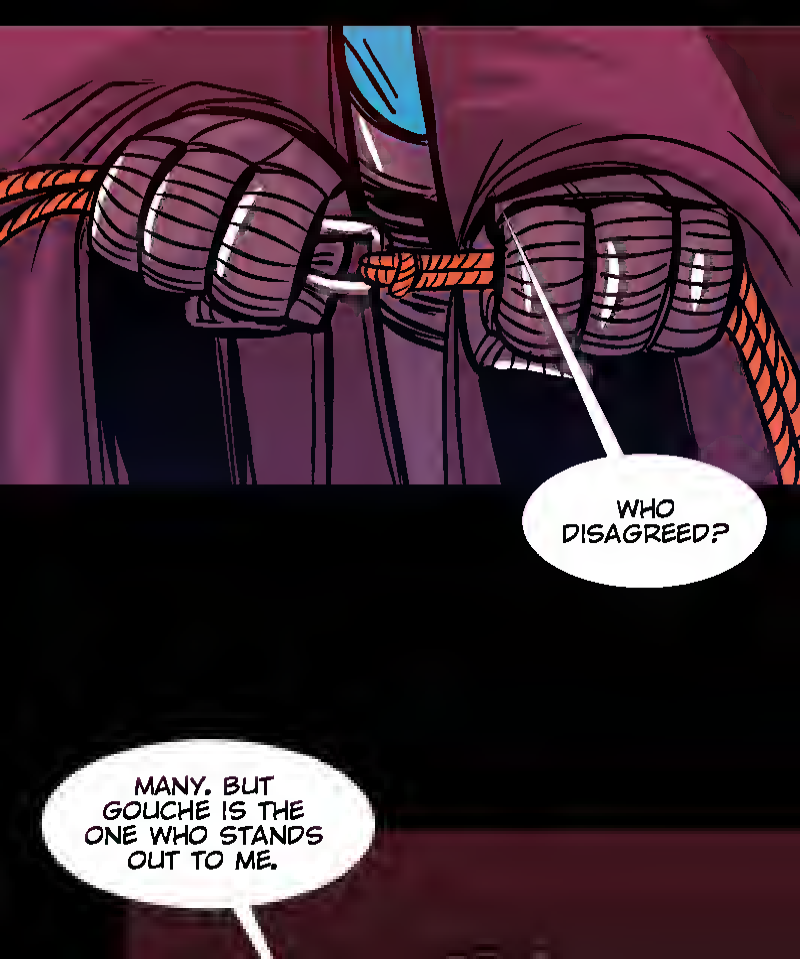
CLICK

SINCE NO ONE COULD GET INTO THE WINTER AND INVESTIGATE WHAT HAPPENED FOR SURE AT REDSTONE...

LOTS OF THEORIES SWARMED. THE MOST LIKELY WAS THAT TORK SOLD HIS ACCESS CODES TO QUIN, WHO SABOTAGED THE REACTOR.

AND HOW DID THEY COME TO THAT CONCLUSION?

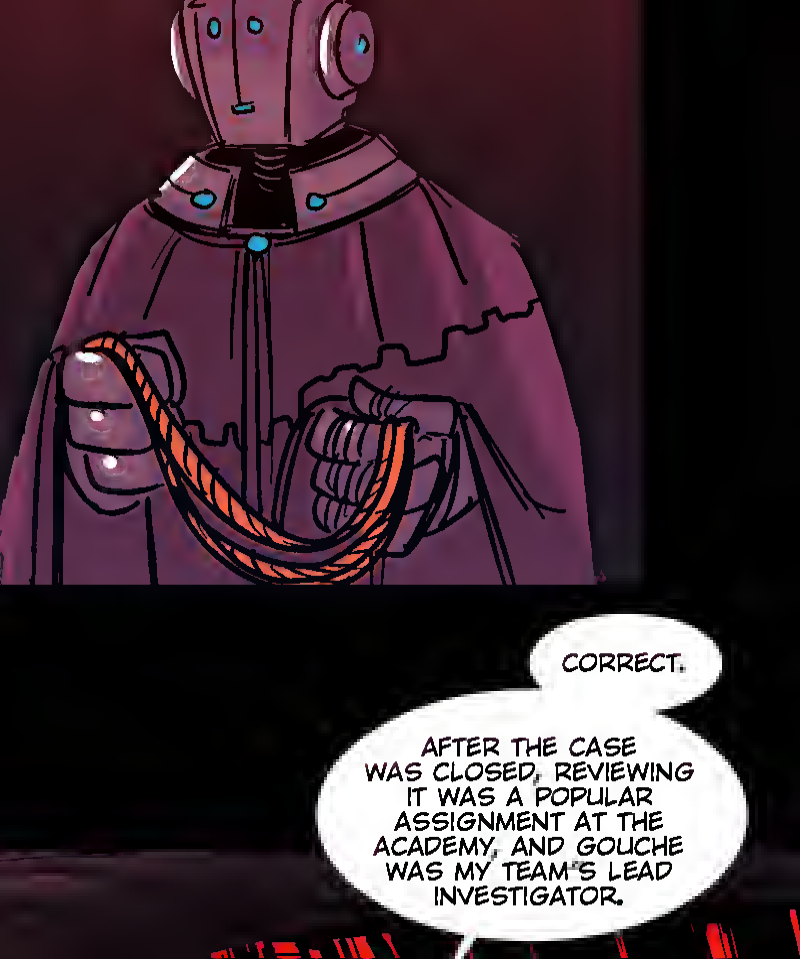
THEY DEDUCED IT FROM THE PARALLEL DATA STORED OFFSITE PRIOR TO THE EXPLOSION.
BUT NOT EVERYONE AGREED.



WHO DISAGREED?
MANY. BUT GOUCHE IS THE ONE WHO STANDS OUT TO ME.

WHO'S
GOUCHE?

THE GIRL.



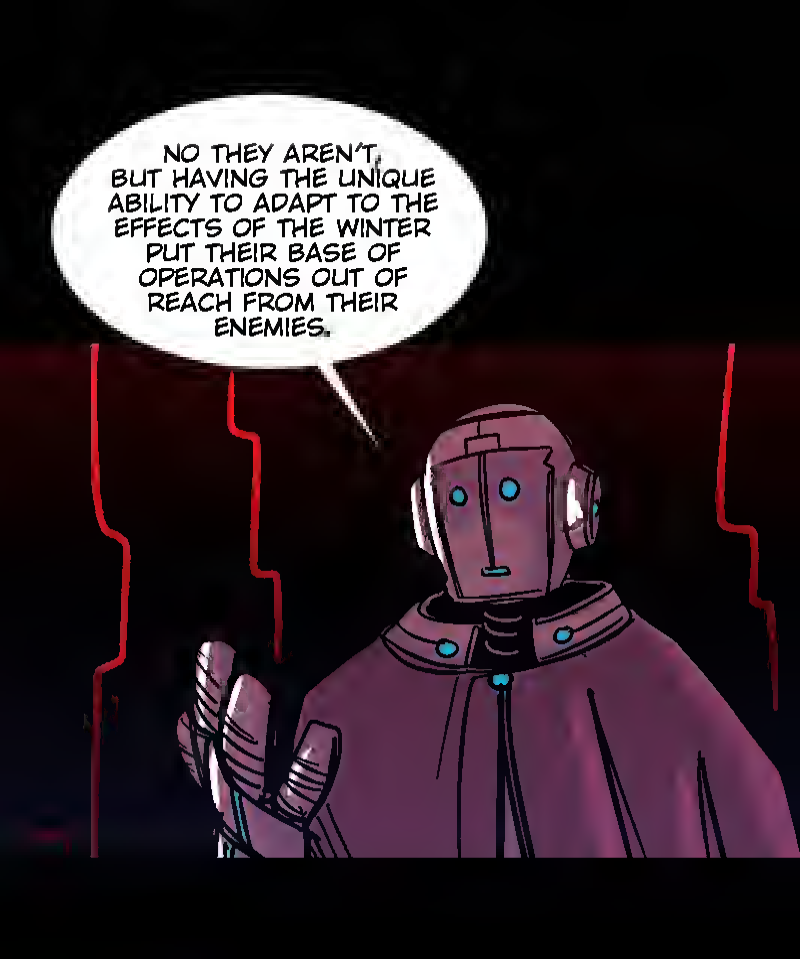
CORRECT.
AFTER THE CASE WAS CLOSED, REVIEWING IT WAS A POPULAR ASSIGNMENT AT THE ACADEMY, AND GOUCHE WAS MY TEAM'S LEAD INVESTIGATOR.

SHE BELIEVED THAT THE SOFTWARE ANALYSIS PROFILED TORK AND QUIN AND DIDN'T GIVE AN ADEQUATE IMAGE OF THEM AS PEOPLE.
I THINK I LIKE THIS GIRL OF YOURS!

YOU WOULD HAVE.

SO ATRAX TRIED TO DESTROY THE FORGE AND ENDED UP MAKING THEM INVULNERABLE?

THE FORGE ARE *NOT* INVULNERABLE.

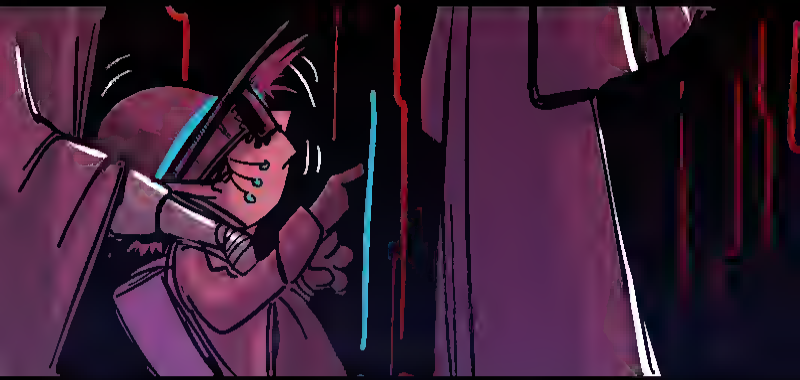


NO THEY AREN'T, BUT HAVING THE UNIQUE ABILITY TO ADAPT TO THE EFFECTS OF THE WINTER PUT THEIR BASE OF OPERATIONS OUT OF REACH FROM THEIR ENEMIES.

SO WHAT, ATRAX SPENT THE LAST FIFTY YEARS TRYING TO FINISH THE JOB?

IT WOULD APPEAR THAT WAY.

AND THE NANITES TAKE AWAY THAT ADVANTAGE.



THAME?

MATH,
ARE YOU SURE THERE ARE NO GUARDIANS DOWN HERE?

THE FACILITY CAN'T SUSTAIN POWER DOWN HERE. THE DAMAGE IS TOO EXTENSIVE.
